The Board of Directors of the Livingston County Historical Society has authorized a coin auction to benefit the Jones House.

To start the ball rolling, we have 15 silver dollars dated 1885 donated by the Kankakee Federal Savings and Loan. We are asking members of the society and any others who may be interested to donate a coin or coins for the auction.

The auction will be held Sunday afternoon, May 4th. Place to be announced later.

Can you help us? We need coins of any denomination or commemoratives. We believe the value of the coin, as established by the sale, is a tax deductible gift to the society.

We plan to prepare and print the program April 15th. We will list all coins and the donors name (unless the donor prefers not).

What kinds of coins? Silver dollars, pennies, gold coins, nickels, dimes, quarters, halves, etc. Look around the house or in your lock box . . . you may have a coin that you've forgotten.

If you can help please contact any of the following as soon as possible.
